Socreds nominate Keith Everitt

by Hennie Stibbe.

Keith Everitt, M.L.A. for the St. Albert constituency for the past 8 years, won a Social Credit nomination by acclamation at a convention held at the Club Mocombo Wednesday evening. He was nominated by Mr. Bill Veness.

In his acceptance speech Mr. Everitt, a dairy farmer from Bon Accord, stressed that the next four years are "very vital and important" for St. Albert. Mr. Everitt asked "do you want a member on the government side of the house representing you, or do you want just an ordinary loud noise maker on the opposition side?"

Mr. Bob Jorgenson, member from Pembina, introduced the guest speaker "Alberta's most eligible bachelor" the Hon. Gordon Taylor, minister of Highways. Mr. Taylor said the success of the Social Credit movement lies in its "ability to change its policies to fit the times". The minister labelled the N.D.P. which he called "the most mixed-up party in Canada". Commenting on the N.D.P. member in the Legislature, Mr. Taylor said "he forgets about his constituency. He is too busy with his head in the garbage pail to see which minister he can destroy." Mr. Taylor added "We don't want to destroy him or his Party, but we have to show their policies." The Liberal candidate for St. Albert came in for some criticism too. Commenting on his frequent letters to the local press, Mr. Taylor said "He obviously does not know the facts". Mr. Taylor said that since Mr. Everitt was elected, some seven million dollars has come into the St. Albert area by way of Highway and Municipal road construction.

Approximately 80 people attended the convention. Mr. Orvis Kennedy, president of the Alberta Social Credit League noted membership in the League is "at an all-time high".

The more weighty business matters of the convention were interspersed with a variety of musical numbers by district performers. Nicole Cyr of Legal and Lorraine St. Ange sang vocal solos, Laurie Moore of Edmonton entertained with highland dancing and Wayne and Lyn Kondrick of Bon Accord presented folk singing numbers.

JULIETTE PREFONTAINE
Legal girl and employee of Alberta Government Telephones who was chosen as a hostess for the Telephone Pavilion at Expo. Juliette is presently in Montreal preparing for her new duties.

Expo Hostess

Miss Juliette Prefontaine 22 year old daughter of Mr. and Mrs. Frank Prefontaine of Legal was one of the girls selected by A.G.T. to be a hostess for the Canadian Telephone Association of Canada in the Telephone Pavilion.

Out of 15 girls interviewed only 5 were chosen and Miss Prefontaine was one of the fortunate ones.

Juliette started school in Legal for her grade 1 and 2 then her family moved to Leduc returning later to Legal where she took her grades 8-12 under the school's fine bilingual program.

Her hobbies are sewing, bowling, skating and petit point.

She started work at the A.G.T. on Feb. 1st, 1965 where she is now employed by the purchasing department.

Mr and Mrs. Prefontaine held a going away supper in their home in her honour. Juliette left March 23rd for Montreal where she will be taking a short course in preparation for her new duties as hostess for Expo '67.

"GOOD LUCK" JULIETTE

Bank of Montreal to get face-lifting

A program of extensive alterations at the Bank of Montreal's St. Albert branch will be started immediately, Andre Tardif, the manager, has announced.

The general contract for the project has been awarded to Watson (Tofield) Ltd. Plans were prepared by architects Rule, Wynn, Forbes, Lord and Partners, of Edmonton. Completion of the program is scheduled for October.

Renovations will include replacing a two-wicket counter with a streamlined four-wicket installation. For safety deposit-box customers, there will be two private coupon booths.

A 700-square foot extension to the premises will allow for provision of additional fireproof storage space.

To be fitted with acoustic-tile ceiling, fluorescent lighting and vinyl-tile flooring, the office will be fully air-conditioned.

The St. Albert Bank of Montreal was established in June, 1955, and three months later the present premises were acquired. Mr. Tardiff who formerly served in Montreal has been manager here since last November.

Bantam football underway

The football season may seem far away, but plans are already underway for the St. Albert team. Brendon O'Neill announced this week that a Bantam team will again be sponsored by Emile Pelletier of the Purple Dude Restaurant, as it was over the past two years.

The Husky Bantam Football Association has put into effect two age and weight divisions for the coming season. Division one will have an age limit of 15 years and weight of 160 lbs. The Second Division, which St. Albert will come under, along with seven other teams, is for Age 13 years (any time during 1967) and weight of not more than 130 lbs.

Council Reconsiders Municipal Act

Sometime ago the Town of St. Albert circulated a letter in support of the Municipal Act to other municipalities. Now some of the Councillors are having second thoughts on this and find that after having looked into this Act in greater detail certain sections are unacceptable. At Monday evening's regular Council meeting Councillor Gibbon spoke strongly against the section dealing with the Appeal Tribunal. Mr. Gibbon said the Act "seems to give immense and broad powers to the Tribunal, equivalent to the Supreme Court of Alberta but without the same protection features for the individual." Mr. Gibbon added "It appears that the present senior Government is setting up another of their famous (or infamous) Boards with almost complete control over the people and Corporate bodies of Alberta." Mr. Gibbon went on to say "I believe that Messrs. Isbister and Ross (of the Municipal Affairs Dept) have understated the powers of this Board and have overstated the right to appeal from the decisions of the Tribunal." Mr. Gibbon's motion "that we ask the City of Edmonton to supply us with a copy of the their Brief in Bill 50 (the Act) to be given to each councillor for study prior to the hearing on this Bill, some time in April", was carried.

FLAG DAY?

A letter was received from the Township of Ancaster, Ontario, asking support for its request to the prime minister that he proclaim the Monday nearest February 15th a statutory holiday, to be called "Flag Day", in remembrance of the dedication of Canada's flag. Councillor Bakker's motion that the Town of St. Albert support this request, was defeated. "We have too many holidays already", said Councillor Gibbon, "besides, I'm not in favour of that flag." Mr Gibbon would like to see a "John A. MacDonald Day." however.

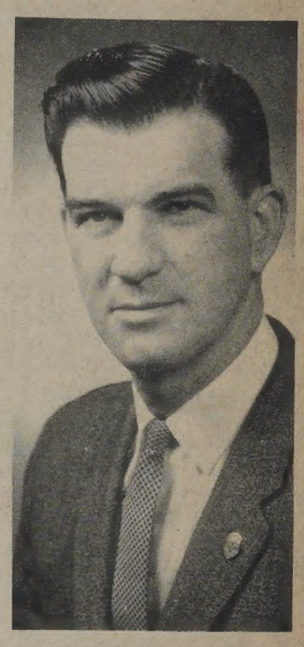
COUNCIL BRIEFS:

Town Hall has to date received 236 notices of appeal against the recent assessment Six more dates have been added to the Court of Revision sittings. Court will sit April 3, 4, 5, 11, 12, 13, 18, 19, and 20.

Mayor Fowler said that in a recent Mayor's Column in the Gazette, he erroneously named Councillor Gibbon as a member of the Swimming Pool Committee. He isn't, Councillor Robert Parkes is . . .

Due to Mr. Loyd Wheating's resignation a vacancy was incurred on the U.A.M. executive. Mayor Fowler was asked and has agreed to take Mr. Wheating's place on the executive of the Union of Alberta Municipalities. The Mayor is also a member of the Education Costs Committee.

All Councillors attended Monday's meeting, with the exception of Mr. de Bruijn, who has been granted a leave of absence for the next three meetings, and Mr. Donais, who has not.



Councillor RAY GIBBON whose recommendations Monday night, following an obviously thorough study of the new municipal Act will result in further study of sections 550-613 by Council.

Due to two days of intensive preparation for a meeting this week the Commissioner of Assessment and the Chairman of the Equalization Assessment Board, there is no "Mayor's Column" available this week. Mayor Fowler will report on developments regarding the assessment in a future column.

Local Volunteers Ready for Cancer Campaign

The annual Cancer Campaign will be conducted in St. Albert in the week of April 3rd to 7th under the direction of chairman Mrs. Neil John Ross and Mrs. Roy Gilley. They report wonderful support from the women's organizations in St. Albert who have responded to this most worthwhile appeal with some fifty volunteers for the door-to-door canvas.

Mrs. Ross has worked with the Canadian Cancer Society for many many years going back to the time when St. Albert had about 900 population. Her job became increasingly heavy as the Town grew and Mrs. Gilley is now in her third year assisting Mrs. Ross. The fine co-operation of volunteers from the women's groups makes possible the outstanding results achieved here, resulting last year in the best campaign ever for St. Albert. The town, recognized for its excellent support in the Society's official bulletin last year.

Funds from this annual campaign go to the national cancer socity and a major portion is directed to research. Receipts are given for every donation which are valid for income tax deduction.

The Daffodil sale which will take place on April 8th here, is a separate project also conducted by volunteers in support of the Canadian Cancer Society.

Comets face Lacombe in finals

St. Albert Comets won the Northern Alberta Intermediate D final by defeating the Wainwright Commandos nine to four in the two-game total point series played in Wainwright March 18th and 19th. Wainwright won the opener 4-3 and the Comets came back with a convincing 6-0 victory on Sunday.

Vic Roberge and the two Cunningham boys, Lloyd and Eddie, were outstanding for the Comets in the series, backed by the superb goaltending of Cam Colville. A good turn-out of St. Albert fans made the 128-mile trip to Wainwright on both days. On the weekend Lacombe won over Vauxhall by a narrow one-point margin in the two game series to establish the Southern Alberta finalist.

First game between St. Albert and Lacombe for the Provincial Championship goes Saturday night in Lacombe with the return match scheduled Sunday in Morinville, providing ice conditions there permit. Otherwise Sunday's game will be arranged for one of the Edmonton rinks. Contest will again be decided by the total point score of the two games.

Talent Show April 29

The Amateur Talent Show sponsored by the St. Albert Centennial Committee will be held on Saturday, April 29th, in the Father Jan School Auditorium. SHOW TIME: 8:15. ADMISSION IS JUST $1.00, under 12 years of age, half price. Auditions for the show will be held Saturday, April 15 and Sunday, April 23 from 1 - 4:30 p.m. in the Community Hall in down-town St. Albert and district performers are invited to enter. Remember, the success of this show depends on YOU!!

Taxpayers should appeal Over-assessment on St. Albert

by G. C. Walker,
P. Eng., A.L.S.

Upon examining a multitude of assessments in the Town of St. Albert I have observed several inconsistencies and errors of assessment judgement that all tend to exaggerate land valuation. Some of these factors tend to discriminate against individual land owners; others, having by far the greatest effect, discriminate against the whole Town in relation to the City of Edmonton and I suspect most other municipalities in the Province. In assessing land, the assessors determine what is the present market value of the land on a front foot basis for a standard depth lot.

The assessors use the principle of depth influence to determine the relative value of all lots of greater or less depth than the lot of standard depth. The assessors set 110 feet as the standard depth (which, incidentally, happens to be the shortest depth for lots in St. Albert as well). On this basis, and using the assessors tables, a lot 150 feet in depth is considered to have an effective frontage of 1.168 feet for every actual front foot or in the case of a 50 foot lot an effective frontage of 58.4 feet. Most 110 foot lots in St. Albert are in laneless subdivisions and considered minimum frontage and the majority of greater than 110 foot lots are in land subdivisions where a 50 foot frontage is considered minimum. Therefore, providing a proper value for land on a foot frontage basis is set no real inequity could be claimed. There are, however, some lots backing on main traffic arteries that were made a greater depth in order to provide separation between traffic and residence. The assessment manual provides for improvements obsolescence on residential properties if they are adjacent to or on "truck routes, main arterial roads, etc." The assessors have not taken this into consideration and have bumped up approximately 9300 front feet by an extra 409 feet (120 feet depth) and approximately 5,100 feet by an extra 444 feet (130 feet depth) This represents an over-excess evaluation of approximately $15,141.

EXCESS EVALUATION OVER $217,000

The assessors in setting up market values for land in St. Albert used $17.75 per front foot for land which is a fair and equitable amount and is the best price anyone can get today for serviced land. HOWEVER, TO THIS AMOUNT THE ASSESSORS HAVE ADDED $35.00 PER FRONT FOOT FOR MUNICIPAL SERVICES SUCH AS SANITARY SEWERS, MAINS, WATER MAINS, PAVED ROADS, CONCRETE CURBS, CONCRETE SIDEWALKS, AND BOULEVARDS. The assessors will claim this is the actual per front foot value of these services that abutt the actual frontage. This is a ridiculous claim and will be dealt with further on. However, at this point I want only to point up that if in fact this is a fair cost for actual abutting services then the $35.00 should be added only to the actual frontage and not the effective frontage as determined by the depth influence.

The effect of this over-assessment on the Town at large is approximately 6,205 front feet multiplied by $35.00 or a gross excess evaluation of approximately $217,175.00.

The assessors claim (that the market value of the land should include the present cost of local improvements that are installed on behalf of the municipality on municipally owned land) does not hold water when examined by comparison with the City of Edmonton. I have checked out three lots in Edmonton with the identical house that is situated on a lot in St. Albert. I ascertained the selling price of land in Edmonton in each of the three areas from a reputable real estate firm. The City of Edmonton assesses residential land at 60% of market value of the land alone, exclusive of the cost of municipal local improvements. The following are my findings:

Lot Description	Frontage	Assess	Assessment per frontage foot.....	60% or 65% of Market value.....
Lot 21, Blk. 32 Petrolia	52.35	$1570	30.18	$30.00
Lot 21, Blk. 2 Duggan	52.0	1450	28.04	27.60
Lot 17, Blk. 15 Steele Hts.	50.0	1240	24.02	24.00
Lot 4, Blk. 11 Grandin Park.	61.66	2100	34.06	11.54

The City of Edmonton charges approximately $38.00 per front foot for local improvements and absorbs approximately $16.00 per front foot if equated to the total cost of all special and local improvements as set out by the policies of the Town of St. Albert.

The assessors have assessed 50 x 150 foot unserviced lots in St. Albert at $400 per lot or equated to an equivalent lot 110 feet deep at $6.85 per front foot. On the basis that the assessment is 65% of the market value of the land then the assessors would value unserviced servicable land at a market value of $10.54 per front foot. This is $7.21 less than an equivalent serviced lot. How can the assessors assess our serviced land at 70% greater then unserviced land then add to this an inflated cost of actual local improvements services. The effect of this error on the Town at large is approximately 128,700 front feet at $35.00 per front foot or a gross excess evaluation of approximately $4,500,000.00. THIS TOGETHER WITH THE OTHER TWO EXCESSES I HAVE PREVIOUSLY POINTED OUT, REPRESENTS AN OVER-ASSESSMENT OF $3,076,000.00. ON THIS 28 MILLS OR $86,000 MORE WILL HAVE TO BE PAID INTO THE SCHOOL FOUNDATION PROGRAM BY ST. ALBERT THAN IF OUR LAND WAS ASSESSED ON THE SAME MARKET EVALUATION OF LAND AS EDMONTON.

$38. MORE PER AVERAGE TAXPAYER

The cost to the average taxpayer in the Town of St. Albert (who has a 60 x 110 foot lot) will be $38.00 for the extra school foundation program levy. I think this matter is serious enough to warrant giving your Council full support by each and every ratepayer making an appeal to the Town against his assessment. To do this you must deliver your notice of appeal in person or by registered mail to the Secretary Treasurer of the Town of St. Albert prior to April 1st, 1967. I suggest you do this by using the following basis for an appeal.

Pursuant to Section 37 (1) (a), (b) and (c) of the Assessment Act, 1960 being Chapter 5 of the Statutes of Alberta, 1960, with amendments up to and including 1966, the undersigned wishes to complain to the court of revision in respect of the assessment of Lot ———, Block ———, Plan ———, Civic Address ———, St. Albert, Alberta.

If your lot is 110 feet deep complain that your lot has been wrongly assessed too high by $22.75 per front foot.

If your lot is 150 feet deep and not on a boundary road, complain that your lot has been wrongly assessed too high by $26.57 per front foot.

If your lot backs on Sir Winston Churchill Avenue, Namao Road, Edmonton Road, or St. Albert Road (Highway No. 2) then the depth is 120 feet or 130 feet and you should complain your lot has been wrongly assessed too high,

(a) in the case of 130 foot deep lots by $24.73 per front foot by reason of excess evaluation due to local improvements and by $0.087 per front foot by erroneous application of the principle of depth influence.
(b) in the case of 120 foot deep lots by $24.24 per front foot by reason of excess evaluation due to local improvements and by $0.044 per front foot by erroneous application of the principle of depth influence.

APRIL 1st IS THE DEADLINE

I urge all ratepayers to appeal their assessments on the foregoing basis and be sure to do this before April 1st, 1967. Remember the added cost to us in one year of this increased assessment, that will be paid out with no increased benefit or service, will be equivalent to the cost of the new swimming pool.

Because of Section 42 of the Act, I doubt if the Court of Revision will be able to vary your assessment, therefore, you must be prepared to appeal to the Court of Revision ruling to the Appeal Board pursuant to Section 47 and in accordance with Section 48.

If you have any questions on the 'hows' and 'wherefores' of an appeal, I suggest you make a personal phone call to the Mayor, a member of Council, or the Town office and ask that your name and address be recorded as having called in this regard. I am sure our Mayor and Council are as concerned about this massive error against our assessment rolls as we are but need our show of interest and support.

Integrity in Politics may mean defeat

With provincial candidates vying for publicity, and sitting members striving to justify a further term of office election fever begins to rise. All of which raises big questions. But the biggest question it raises is not one of policy! In an imperfect world it seems inevitable that often success must be achieved by questionable means. This is not to suggest that all politicians are scoundrels, only to recognise the limitations of our political system and of human nature.

A well laid charge, correctly timed and skillfully propagated, may seem to be legitimate but is often more clever than honest. It reflects upon the user. The government of course is paid to govern and the opposition to criticise but both keep a wary eye upon the electorate. Small wonder therefore, if the effects sought after have more substance than the reality dealt with! This turns the voter into a cynic.

It's time we took a fresh look at this situation. Do those aspiring to political office recognise the real cost. The price of maintaining truth and justice, integrity and honour may well be defeat. In his illuminating novel dealing with the turbulent political and social scene among the emerging nations of Africa, Robert Ruark closes his book 'Uhura' with a moving picture of a triumphant black politician casting away the political leadership of his country so that he might serve the cause of justice and save his own soul. Like Christ before him, he went down to oblivion that a new light might shine in the faces of men, Defeat can speak louder than success! SUCH MEN ARE RARE.

As the days go by and the long hot summer of campaign politics intensifies, is it too much to hope that the electorate, reflecting on the evils which all to often arise because weak men are thrust into public office, may yet choose only those of sterling character, impartial judgement and proven integrity. THE GOVERNMENT OF A CITY, OR PROVINCE, OR NATION IS MUCH TOO IMPORTANT TO BE LEFT TO MERE VOTE CATCHERS!

St. Albert Singers in "Call Me Madam"

When Edmonton Civic Opera Society puts on its forthcoming production of 'Call Me Madam,' April 5, 6, 7 and 8th at the Jubilee Auditorium St. Albert and District will be well represented. The male lead is being played by Ron Nelsen of Namao, while our own Miss Centennial, Lucie Hermans plays the part of Miss Phillips and Julie Heuman of Gilmore Cresc. plays the Clerk. Tom Troy will design and paint the sets. The musical comedy is largely political satire, and centres around the appointment of Mrs. Sally Adams, played by Edna Farnell, as the first lady Ambassador to the legendary country of Lichtenburg. Mrs. Adams, is a partying fun loving lady who has little use for protocol and authority.

The fun begins when Mrs. Adams (a widow) falls in love with the Prime Minister, and her Secretary, Kenneth, played by Ray Phipps falls in love with Princess Maria, played by Judy Unwin. Jack Unwin is the Director, and Captain George Naylor of P.R.C.L.I. Greisbach is the Musical Director. Choreography is by Shirlee Adams.

Ron Nelsen will be remembered for his active part, along with his talented wife Diane, in the promotion of amateur talent night in Namao. Ron has been singing since 1953, when he won the A.C.T. Search for Talent Scholarship to the Banff School of Fine Arts. He then studied at the Royal Conservatory of Music Opera School in Toronto and the National Opera School in London England.

Tickets may be obtained from Lucie at 599-6809, Julie at 599-8040 or from the box office, second floor of the Bay, phone 422-3151 or the 24 hour telephone service 422-3345.

The production promises an evening of light-hearted musical entertainment that St. Albert theatre fans won't want to miss. The talented homegrown lead singers are supported by a chorus of forty voices which will have the audience coming away humming such favourite tunes as "Hostess with the Mostess", "You're Just in Love" and "It's a Lovely Day Today".

RON NELSEN - well known singer from Namao who will perform the male lead role in the Edmonton Civic Opera Society's production of "Call Me Madam" which opens at the Jubilee Auditorium, April 5th.

Indirect tax hike for St. Albert

by Robert Russell
Liberal Candidate.

The recent assessment has doubled the land value for taxation purposes for some property owners and we are just beginning to realize the implications.

I am sure we were all amazed when the Provincial Government added two mills to the Foundation Plan which your local government must levy. This was done after they announced that there would be no new taxes for 1967. However, until a final decision is made in high places, our contribution to the Foundation Program could result in a five mill increase for property owners.

There have already been some 260 applications at Town Hall for appeal of the new assessment but before everyone gets up in arms I would suggest that most of the trouble is a lack of communication. People just want to know what is going on. And certainly, no arbitrary action of re-assessment should be taken at the Provincial level.

Time magazine reports that Edmonton has the highest per capita debt in Canada at $254.00. St. Albert now has a per capita debt of $308.00 which is really something for a supposedly debt free province. Something is wrong somewhere.

Councillor Ray Gibbon is to be congratulated for doing his homework on the New Municipal Act which has already received a storm of protest across Alberta. Mr. Gibbon took a responsible attitude in raising his questions and received support from the rest of Council in requesting a study of Edmonton's brief.

I have just finished reading the 658 sections of the Act which repeals and replaces the City Act, the Town and Village Act, the Municipal District Act and the Controverted Municipal Elections Act. My immediate reaction is that it all smacks of Big Brother. Combining all Municipal regulations under one Act may appear to be convenient but is it really practical for councillors and mayors of small towns and villages in Alberta? Surely we can have some conformity without a completely new Act of 658 sections for everybody.

The open society

Dr. Norman G. Dolman,
N.D. Party Candidate,
St. Albert Prov. Con.

I believe that it is time that the people of St. Albert and the Sturgeon District heard from me, as their local N.D.P. candidate, the facts of the "Turcott Case."

It all started in November 1966 when Garth Turcott, New Democrat M.L.A. for Pincher Creek - Crowsnest, referred to allegations against Mr. Hook and Mr. Hinman which had appeared in the Albarta newspapers.

The first point to make clear is that at no time has Garth Turcott accused anyone or alleged anything; he merely referred to these allegations which were published in the newspapers and said that, in order to clear the names of the people involved, these charges should be investigated and the public made aware of the results of the inquiry.

From that point abuse has been heaped upon the head of Turcott, not the least by Mike Maccagno, leader of the Liberal Party, who immediately sided with Mr. Manning, thereby proving that at present there is in fact no real opposition in the Alberta Legislature.

The only opposition is the lone N.D.P.'er - Garth Turcott, who has been on the receiving end of more personal insults than we have seen for many years.

And now we see Social Credit "democracy" in action Instead of the judicial inquiry which is obviously indicated, and was asked for, the Premier referred the matter to the Attorney-General.

He referred the matter to himself!

If your wife was accused of stealing a loaf of bread from the stores, would YOU be the judge and jury?

On Tuesday afternoon, we heard that the Attorney-General had reported to the Premier (!) that the charg (Turcott charged nobod were false and that Mr. Turcott had not revealed all the evidence, that remainder of which would clearly exonerate Hooke and Hinman. He would allow the case to be debated on the floor of the house.

Do you think that the Social Credit back-benchers are going to speak and vote for a judicial inquiry?

Let's wait and see if any of them contradict their Leader.

The New Democrats all over Alberta agree with Garth Turcott when he said" . . . only through a thorough investigation and inquiry will the truth be revealed concerning these matters."

We are fighting for . . . THE OPEN SOCIETY.

To refer this matter to the Legislature will clearly circumvent the law, a privilege which is not given to us mere mortals!

A rainbow for Canada

"Common feed, $3.
Square meal, $5.
Belt buster, $8.
Mortal gorge, $12."

The above Christmas Day menu appeared in the window of a Southern Alberta Town in 1898. A hotel in the same town at the same time offered good bunks for $2.00 per night and for an extra dollar you could have clean sheets. It would seem that Alberta's cost of living has gone down since then, and similar 1967 establishments are a little more refined. Yet in 1898 this bill of fare was a far cry from the comparitively simple economic set-up the Plains Indians had used before the Whiteman came. The main struggle had been for survival. For many years, even after the Whiteman came, men were satisfied to hunt their daily meat, cook it and eat it. The beginnings of the civilization we know in Alberta seem crude to us but the 1898 prairie towns were then high sophistication. A reader, a man, called to wonder if the Whiteman has really improved this part of the world. When the Indians ruled there were no mortgages, no traffic problems and the women did all the work. Sounds great, doesn't it girls?

Centennial travellers can find an interesting historical site near Buffalo Lake, Alta. The site was once known as Trail Creek, but all that is left is a graveyard. Many of the graves are of buffalo hunters who were killed while pushing their horses near enough to the huge beasts to kill with one shot. St. Albert was famous as the home of many of the most daring and skillful buffalo hunters. The hunts became highly organized projects with set rules. Father Lacombe attended the Red River Buffalo Hunt in 1850. The hunt was headquartered at Trail Creek with 1000 men, women and children taking part. The hunters were divided into teams and each team was headed by a captain who was responsible for the conduct of his team. It was a punishable offence to let any usable parts of the buffalo go to waste. For one such offence a man had his bridle cut up; for a second offence the man's saddle would be destroyed; and for a third offence, if he dared to break the rule again, was a flogging. Another serious act against the rules was to steal another hunter's kill. If caught the culprit would be brought to the centre of the camp by his team captain. The captain would point to the offender and announce to the entire camp that the word "Thief" would be added to the man's name. After a day's hunt the men would spend the evenings telling yarns around the campfire, mostly they praised their own daring. Meanwhile, the women tanned the buffalo hides, processed the fat and dried the meat. That year, 1850, eight hundred buffalo were taken. Soon however the hunts began to follow the herds south, as less and less buffalo grazed on the grassland around Buffalo Lake. Even with the rules the last hunt took place in 1875. There were no more buffalo.

It stands to reason that everyone will have a birthday in 1967. Why not have a party with a Centennial theme? These are particularly popular with the younger set. Several mothers have told me of cakes they've decorated with either the maple leaf or the Centennial symbol. Canadian flags work well as invitations or place cards, while a red, white and blue colour scheme is bright and eye-catching. One Mom cut the cake into triangular wedges and made the Centennial symbol. This was a real hit with the nine year olds at the party.

The Squirettes will be busy with their museum tours now that tourist time is approaching. Our salute goes to them for this excellent project. And we can all get our fingers in the Centennial Cake as soon as the wrappings come off the new swimming pool and the library.

Historic St. Albert

Last week's instalment of the history of St. Albert by Father Alexis Tetreault O.M.I. dealt with the events leading to the Riel Rebellion and Bishop Grandin's devoted efforts to avert an uprising in this area. The article took us to the Frog Lake massacre on Good Friday of 1885.

THE RIEL UPRISING, 1885:

It is now necessary that I relate how the uprising affected St. Albert and what St. Albert did during these regrettable events.

On March 28th, a telegram brought the news of a bloody encounter near Duck Lake, between the Mounted Police and the Metis. The next day, Father H. Leduc at St. Albert related the event in church, noted the disastrous consequences of such-action and stressed the obligation of obeying lawful authority. Many in the settlement were very excited.

On April 4th, a courier brought the sad news of the Frog Lake massacre. Rumours of an imminent attack on Victoria spread like wildfire. The population of Fort Saskatchewan and elsewhere feared for their safety. On April 8th, at 3 o'clock p.m. at a large meeting in St. Albert it was decided that the Bishop would call another meeting if the circumstances warranted it, that in case of trouble in the vicinity, a delegation consisting of the Bishop himself, a priest Messrs. Sam Cuningham and John Rowland and three or four other ambassadors would go to interview the troublemakers.

That same day, Jos. Lamoureux, Frank Lamoureux and Mrs. Curron and their families sought refuge in the nuns' convent. On April 9th, six other families arrived from Fort Saskatchewan Barracks of the N.W.M.P. A telegram from J. John Howard a Methodist minister, to Bishop Grandin said, "May I send my wife and child to you for shelter. Answer Bishop Grandin threw open his large new two-storey school building, his warehouse and shops for the refugees, and gave them all every comfort and assistance.

On April 11th, Mr. Beapre from Fort Saskatchewan brought the news that the Indians of Beaver Lake has stolen some cattle and were advancing on Fort Saskatchewan. The same day a telegram from Captain Griesbach's dispatch said: "It is reported that the Blackfeet have or are about to tear up the C.P.R. tracks." In the whole district, fear had by now developed into a panic. All but four families from Fort Edmonton sent the women and children to the 'city of refuge,' the only place that seemed safe because of the prestige and influence of the holy Bishop of St. Albert, or Father Lacombe and their associates. All the women and children of Namao arrived One of the refugees wrote: "The women and children made their beds on the floor in long rows." Some fifteen women and twenty-one children were fed and sheltered at the mission. Many found lodging at the homes of Dan Maloney, Noel Courtepatte, and elsewhere, and many tents were set up close to the Mission.

NEWS ARRIVED THAT THE CREE INDIANS AT PEACE HILLS (Wetaskiwin) HAD LOOTED THE H. B. COMPANY STORE THERE, HAD DRIVEN AWAY M. LEE, THE FARM INSTRUCTOR, AND WERE ABOUT TO ATTACK FORT EDMONTON. FATHER CONSTANTIN SCOLLEN, SPOKE TO THE REBELS SO FORCEFULLY THAT THEY PROMISED TO REMAIN PEACEFUL, AND THREE DAYS LATER WHAT WAS LEFT OF THE BOOTY WAS RETURNED AND THE FARM INSTRUCTOR WAS REQUESTED TO RETURN TO HIS POST.

It is said that a letter addressed to the rebels by Governor Dewdney, stating that the Blackfeet Indians were loyal to the Government and if they went on the warpath, it would be on the side of the Redcoats, was also effective.

Father Blanchet sent news that the band of Assiniboines of Chief Alexis, from Lac Ste. Anne and from Riviere Qui Barre had attacked the H. B. Company Store at that point on April 10th and had shouted and eaten and danced all night. The chief refused to surrender a letter received from Louis Riel, but promised to try and keep his young warriors peaceful.

On April 18th, the Edmonton Bulletin wrote: "It is feared that Lac La Biche has been taken."

On April 20th, a message from James McDougall, Factor at Fort Edmonton, related the defeat of the loyal forces at Carlton, Saskatchewan, and a telegram to Father Leduc stated: "Three hundred troups leave Calgary today for Edmonton." On April 27th, a false rumour circulated at Fort Edmonton that three hundred Indians were advancing against the fort.

On May 1st, four companies of the 65th Battalion arrived in Edmonton. Two were dispatched to Victoria on May 7th, and two to Battleford.

On May 4th, a large band of Big Bear's warriors attacked, looted, and burned the H. B. Company Store at Lac La Biche village and would have attacked the settlement seven miles away and looted its warehouse had they not learned that it was strongly defended. In fact only fifteen men kept guard around the mission. The nuns and children, one priest and one lay brother, in all 21 persons, with three Metis families, had left the mission on April 27 to seek refuge in a fishing hut on an island in the lake and remained there for two weeks. On May 10th, news arrived of the defeat at Cut Knife, Sask., and of the arrival of three hundred soldiers in Edmonton. On May 16th, at a large meeting at St. Albert, it was decided to form a company of volunteers to protect the life and property of St. Albert Settlement. Messrs. Sam Cunningham was chosen Captain; Dan Maloney, 1st Lieutenant; Octave Bellerose, 2nd Lieutenant; Alfred Cunningham, Staff Sergeant; M. Grey, Bte. Pepin, N. Beaudry, Sergeants; E. Page, L. Lawrence, J. B. L'Hirondelle, Corporals, and thirty-three privates. The three senior officers offered their services to Col. Ouimet at Edmonton, and on May 21st a letter to Bishop Grandin from Major General Strange said: "I have approved enrolment of Scouts and Homeguard at St. Albert." On May 25th Captain Desgeorges officially received them into the Active Service of the Militia of Canada under the name of the St. Albert Mounted Riflemen. A camp was set up behind the mission. On May 26th, rifles, ammunition and provisions arrived and the training of the volunteers began. On May 18th, a telegram announced the arrest of Louis Riel. On May 22, came word, "Beardy and his braves (at Duck Lake, Sask.) have surrendered." On May 27th, "Poundmaker and all his Indians have surrendered." On May 31st, six scouts under Frederic Durocher of St. Albert were enlisted as couriers for the Army between Fort Pitt and Edmonton. On June 9th, thirty volunteers left St. Albert under Captain Desgeorges to protect Lac La Biche settlement against Big Bear. Following his capture, they returned to St. Albert on July 4th. On July 9th, the volunteers received their pay and the St. Albert Mounted Riflemen were disbanded. The Privates received $2.50 a day extra for those who made the expedition to Lac La Biche.

By April 17th most of the refugees at St. Albert had gone back to their homes.

A heavy frost had destroyed most of the crops in St. Albert settlement in 1884. The Mission was able to save 1,860 bushels of wheat and 600 bushels of potatoes and give much needed assistance to the improverished settlers. In 1885, important repair work again was necessary on the local bridge. On September 1st, three government inspectors examined this bridge in the name of the Council and evaluated it as $1,500. The dam at the mill again required many weeks of hard work. On November 14, 1885, a telephone was put in the Bishop's Residence. Much work was done on the three-storey convent during that year and all hands were again at work on the sisters' convent in 1886 and 1887. Four large double-chimneys were raised by Mr. West in 1887 for the heating of this huge building.

A new seeder arrived in St. Albert in the spring of this year, but a devastating frost again afflicted the settlement in the fall.

On September 1, 1887, by agreement with the Grey Nuns, the new convent was given to the Bishop and his household, while the nuns took over the former Bishop's residence. The new house was solemnly blessed and the transfer was made in the following week. The nuns left their old convent orphanage, built 25 years earlier, and on October 25th it was torn down.

A new convent was erected and was blessed on January 26, 1888, and in March the government came to the help of the Metis with 2,000 bushels of wheat and 1,000 bushels of barley for seed. In the same month, in the face of urgent need, Captain Griesbch was authorized to distribute rations to the poor, at the rate of one pound of flour and one quarter pound of bacon per day per head.

THE TOTAL POPULATION OF ST. ALBERT AT THE END OF 1888 WAS 1,000 COMPRISING 166 FAMILIES. OF THESE, 860 PERSONS WERE METIS, 113 FRENCH-SPEAKING CANADIANS, 15 ENGLISH-SPEAKING AND 12 NEWLY ARRIVED FROM FRANCE.

As a reward for their loyalty to the crown during the Riel Rebellion in 1 Sir John MacDonald, prime minister, invited the Indian Chiefs to come to Ottawa to receive the expression of gratitude of the government. They were led by Father Lacombe O.M.I., and Jean L'Heureux, his lay assistant.

Artists respond to local show

There has been an excellent response by local artists to the invitation of the Catholic Women's League for exhibitors at the Centennial Exhibition of Art that is being organized at present. Thus far more than thirty artists have signified their intention to exhibit their works in the auditorium of the new Centennial Library in the mid-summer. The Catholic Women's League are repeating their invitations to would be exhibitors who have not yet signified their intention of being represented at this exhibition, to do so as soon as possible, by notifying Mrs. W. Borgstede, 31 Glenmore Crescent, St. Albert (Phone Number 599-8601).

Centennial plans aired at meeting

Mr. Gilley has obtained permission from Safeway to place a Centennial Notice Board in that store. He will obtain the notice board and it. Also suggested that the same type of Board be placed in the downtown area. Mr. Harris reported that there are two entries to the talent contest. He requested that the schools be contacted with the talent show information.

Mr. Tennant advised the Committee that the scrolls are now being lettered. The Newcomers Club have a project to sponsor summer trips around the St. Albert area for the residents of the Youville Home. The Committee is against mass presentation of scrolls.

Mr. Tennant moved, Mr. Harris seconded and carried that the discussion of the paper be set aside to a special meeting.

Members of the Committee will meet with the Chamber of Commerce to discuss the arrival of the Mackenzie expedition. A letter has gone to Sir Alexander Mackenzie School inviting them to take part in the ceremonies.

Mr. Gibbon, a member of the public meeting, suggested that the glass case now in Council Chamber be used as a display case at the library door for bulletin board.

The Mayor has called a meeting of all presidents of St. Albert organizations to discuss the Dance at the end of Centennial Week. The cost of having Bobby Gimby's orchestra will run at $2,500. It has been suggested that perhaps the dance could be held in Edmonton.

A letter was read from Mrs. Stibbe resigning from the Committee in her role of publicity for personal reasons. A motion was made, seconded by Mr. Tennant that a letter be sent to Mrs. Stibbe asking her to reconsider her position and return to the Committee. Carried.

A letter was read--a copy of a letter sent to Mr. Wheating--from Mrs. McGuire resigning her position as Centennial Secretary because of a move to Calgary. This letter was tabled for further discussion at a special meeting which will be called as soon as possible.

Mr. Gilley moved adjournment at 9:45.

St. Albert Kinette club

The St. Albert Kinette Club have chosen Mrs. Margaret Sinclair of St. Albert to be "Queen for a Day".

Mrs. Sinclair was honoured at a special meeting of the Kinette Club and was presented with the following:

A beautiful floral arrangement graciously donated by Hilde's Flowers; Shampoo set and manicure, courtesy of Maison de Coiffure; A $50.00 gift certificate from Johnstone Walker and dinner for two plus babysitting expenses.

Congratulations Mrs. Sinclair!

The next regular meeting of the Kinette Club will be held April 11th, at 6:30 p.m. at the Club Mocombo.

MRS. JOHN WESLEY CLENDINING

Clendening - Morhart Wedding

The new chapel at Youville Home was the scene of its first wedding at 7:00 p.m. March 22nd, when Ruth Morhart, daughter of Mr. and Mrs. George Morhart of Spring Valley, Saskatchewan, was united in marriage to John Wesley Clendening, son of Mr. & Mrs. Charles Wesley Clendening, St. Albert.

Father C. Levangie officiated at the double-ring ceremony and the Reverend L. J. Musto took part in the service.

The bride was lovely in a gown of imported lace with a peau de soie coat trimmed with lace. She carried a cascade of yellow roses with ivy.

Matron of honour, Mrs. Garth Peterson and Bridesmaid Miss Joy Clendening wore identical gowns of yellow printed georgette and carried nosegays of yellow carnations

The groom was attended by Mr. Garth Peterson and Mr. Jim Byrne. Bill Clendening and Lenard Marhart ushered the guests.

Miss Geri Peterson sang "O Perfect Love" during the service and organist Mrs. Andrew Kennedy sang "Ave Maria" during the signing of the register.

For her daughter's wedding Mrs. Morhart wore an imprted suit of beige wool complimented by olive green accessories. The groom's mother chose a dress of beige linen with printed coat and pink accessories.

Following a reception at the Bonaventure Hotel the happy couple left for Banff and points East. On their return they will make their home at 15 Maple Drive, St. Albert.

Around Town

Tracy Punter of 17 Sycamore Ave., and Kathy French of 116 Grandin Road are the happy possessors of new bikes as of Tuesday when they were announced as winners of the St. Albert Dry Cleaners bicycle contest. Tracy won the girl's bike and Kathy has a boy's bike courtesy of her small brother, Cameron who won the bike but decided it was a bit too big for him yet.

* * *

Thursday night's bad weather, complete with cold wind and blowing snow decided most of the power toboggan enthusiasts to go to the party they had planned via cars. However two brave couples made the ski-doo run and everybody enjoyed a terrific hot meal featuring delicious smoked beef with baked potatoes. There is one lady in Sturgeon Heights however, who decided the bruises, plus her confessed reaction "I was scared stiff", were hardly worth it, and will in future confine her skidoo rides to calm runs over a smooth track, when the weather is friendly.

UCW news

At a general meeting of the UCW March 16th, it was decided that social meetings will begin at 8:30 p.m. beginning April 10th. Four members will volunteer their services at the monthly birthday parties held for the Senior Citizens under the direction of Mr. Elmer Harrison recreation director.

The Geneva Unit is planning a bedding plant sale on May 19th and 20th and stay-at-Home tea in June. Funds will go the Christian Education committee.

A Fall Fashion show is being planned by the Sturgeon Heights unit to be sponsored by Simpson Sears.

The Harrison Villett Unit reported 19 members celebrated their birthdays at the March party at Youville Home Oldest of these was Mr. Alexander Smith, 97 years, followed by Miss Emily Plant who was born in Nova Scotia 95 years ago.

Mrs. Joan Mayers entertained with a delightful program of Irish songs, accompanied on the piano by Mrs. Leona Arundel. An enthusiastic volunteer from the audience, Mr. Joseph led the sing son with a lively rendition of "Alouette."

Recreation News

FIGURE SKATING CLUB

It was unfortunate that blizzard conditions on March 16th prevented a large attendance at the annual general meeting of the Figure Skating Club. As there is much important business to discuss, it was decided to postpone the meeting until after Easter when, it was hoped, the weather would be more favorable and a full attendance of those interested would be possible. The date of this meeting will be announced later.

BASEBALL

A Baseball Clinic will be held in the Leo Nickerson School, Sycamore Ave., from April 10th to 13th inclusive, commencing each evening at 7:00 p.m. This Clinic is being sponsored by the Parks and Recreation Department as a refresher course for former coaches and umpires and it is hoped that as many as possible will take advantage of it. It is hoped, however, that many others will also attend who have had no former experience in Baseball but who are eager to learn and are interested in becoming involved in the promotion of baseball in St. Albert. We are urgently in need of umpires and coaches - as we have said before in this column, there is no shortage of young players. There is no charge for the course, but please register as soon as possible by calling at the Parks and Recreation Department, Town Hall, or phoning the Dept. Office (599-6601, extension 35 or 36.)

TEENS

Calling All Teens! An organizational meeting will be held in the Clubhouse, 5 Grenfell Avenue, on April 6th at 7:00 p.m. with a view to planning the summer programme. It is hoped as many young people as possible will attend. Last summer we had a varied programme which was enjoyed by all and this year promises to be even better. We will have our own brand new swimming pool and tennis courts and with these wonderful facilities right here in St. Albert it should be possible to plan a really exciting summer. So don't miss this opportunity of coming out and helping to plan YOUR summer programme--and remember it is YOURS so make it go. The date: April 6th; the time 7:00 p.m. the Place: Clubhouse.

Y.M.C.A.

The next swimming lesson series under the auspices of the Y.M.C.A. will start on April 8th and run until June 17th. Lessons take place on Saturdays and the children (from 8 years and up) are taken by school bus to the West End Y.M.C.A. pool. The cost if $3.00 per session plus a "Y" membership and would be swimmers can register by phoning the West End Y.M.C.A (455-2139) or our local Y.M.C.A. Secretary, Mrs. Phillips at 599-6445. Further information can also be obtained by phoning Mrs. Phillips who will be able to answer all queries regarding transportation, membership, etc.

LEADERSHIP SEMINAR

There was a very disappointing turn-out at the second session of the Leadership Seminar held on Wednesday, March 22nd. This poor response is hard to understand as this Seminar provides a wonderful opportunity for the citizens of St. Albert to learn more about the possibilities of leisure and recreation. The speakers at each session are experts in their fields and were chosen carefully with a view to giving members of the various organizations in this Town an opportunity of learning and increasing their knowledge in the best way to employ their time and talents.

The next session of this Seminar will be held in the Clubhouse, 5 Grenfell Ave., on Wednesday, April 5th, at 8:00 p.m. when the speaker will be Father Primeau from Morinville. His topic will be "Public Speaking" and all who have ever heard Father Primeau speak know that he is an expert in this particular field and his talk should be both entertaining and instructive. All those interested in the promotion of good living in St. Albert are urged to attend; they will find the Seminar both enjoyable and rewarding.

17 Children receive communion

On Easter Sunday, 17 young students made their first Communion at the 10:30 Mass celebrated by Rev. Father A. Beaupre in St. John Baptist R. C. church. The family groups sat in reserved seats for the occasion. Rev. Father G. H. Primeau, pastor, in his sermon, stressed the need for family prayer and also the receiving of the sacrements by parents as well as children very frequently.

Due to the large number of children recovering from the measles and the flu, several of those ready to make their first Communion had to postpone this special day.

Sister Anzsie of Notre Dame Convent assisted Rev. Father A. Beaupre in the preparation of the children for this special milestone in their Christian education.

Air cadets make plans

Following the fall-in and inspection of 533 Squadron St. Albert, the band dispersed for a short practice. The remainder of the Squadron practiced their drill.

Following the 8:30 break, first year attended a lecture, while the advanced cadets continued to restore the air craft engine.

The week's activities include a visit from 570 (Edmonton) Squadron to St. Albert. This visit will feature a volleyball game between the two rivals. During the game the final selection will be made for the provincial play downs in volleyball. St. Albert hopes to make 1967 the second straight year for a championship volleyball team.

A 16 man precision drill team will soon be chosen to compete in the provincial play downs in drill. This team consists of 15 men doing the drill under the command of a senior cadet non commissioned officer.

Swimming Friday night was enjoyed by 33 cadets with 524 Bon Accord Squadron.

There is still more room for young men in the band, as well in the marching unit. These young men must be 13 years old (or in grade 8). Parades are at 7:25 in the Community Hall on Thursday evenings.

Lions Charter New Club

Recently a unique ceremony was carried out at the Village of Paradise Valley. It was different because it was one of the few occasions that two Lions Clubs in two International District co-sponsored a new Lions Club. The sponsoring clubs were Dewberry, in District 37B and Lloydminster in District 5 C.N., Saskatchewan. Cabinet officers from both districts travelled many miles to attend this gala affair. Among the Sask., International Officers were Deputy District Governor Victor Juba, and Zone Chairman Sandy Hill. Lion Sandy was the M.C. for the evening.

District 37B Alberta Cabinet officers taking part in the program were: past district governor Ernie Homgren, past district governor R. R. Rippel and district governor Art Stapleton of Morinville who was guest speaker and presented the charter to the newly formed Paradise Valley Lions Club. Thus one more group of dedicatad Lions was added to the ever extending family of Lions International.

Eddie St.Laurent has a smile and a gift of candy for Mrs Nick Byers of Youville Home. Eddie is a member of the Morinville Youth Committee who visited some 70 shut-ins last week, including Chateau Sturgeon and Youville residents.

Youths bring cheer to shut-ins

On Saturday, March 25, the Good Will Committee of the Morinville Youth Recreational Committee, with Paul Verbeck as chairman, visited some 70 shutins and old folks in the district, distributing chocolates to all.

Headed by Rev. Father Armand Beaupre, in charge of Youth activities, the group, with Miss Colleen McDonald, Eddie St. Laurent, Paul Houle Denis Himshoot and Bob Found, assisted by Francis Rondeau, and Arnold Himshoot as helpers, visited some 17 shutins in the town of Morinville.

Then a group travelled to Chateau Sturgeon in Legal where they visited all the old timers from Morinville, presenting each with a gift of sweets. Following the visit to Legal, the group travelled to Youville Home in St. Albert where visits were made to all former residents of Morinville and again gifts of sweets were presented to each one.

The members of the Morinville Youth Recreational Committee, are to be commended for this wonderful work among our sick and Golden Age citizens. It is hoped that other organizations in Morinville will follow up the good work and set up a program to entertain the "Golden Age" group. During the spring and summer months, trips to the green countryside would bring cheer after a winter that has been long and lonesome for many of our sick and old people of Morinville and district.

United Church News

The congregations of Braeside Presbyterian Church and St. Albert United Church joined on Good Friday in commemoration of the Christian Church's most solemn and poignant observance. The service was held at 11:00 a.m. in the United Church Sanctuary with Rev. W. Jarvis conducting the service and Rev. L. J. Musto delivering the message. The United Church Intermediate and Senior Choirs both took part, with the number presented by the latter, "Where You There When They Crucified My Lord?" leading into the theme of Mr. Musto's address "Were You There?"

Easter Services of the United Church, held at 9:30 and 11:00, were a family affair with many children attending with their parents. The theme of the joyous service was "The Presence of Jesus" in the hearts of minds of His people today. Easter music was presented by the Intermediate Choir at 9:30 under the direction of Mr. Eric Robinson, and the senior choir at 11:00 with Mrs. K. W. Paget at the organ and Mr. D. L. Petherbridge conducting. This was the final appearance of Mrs. Paget and Mr. Petherbridge in this capacity, as Mrs. Philip Upright will assume the position of organist and choir leader next Sunday morning. The heartfelt thanks of the congregation go to Mrs. Paget and Mr. Petherbridge for their services. To Mrs. Upright formerly our organist for seven years prior to accepting a position at Wesley United in Edmonton, welcome back.

A reception of new members, both on Profession of Faith and by Letter of Transfer will take place in the United Church on Sunday morning, April 9th, followed by the Sacrament of Holy Communion. Those desirous of entering the membership of the church are invited to be present on Sunday evening, April 2nd at the church to meet with the Minister and members of the Session.

Newcomers welcome

St. Albert welcomes more new residents and hopes they will have a rewarding life in our Community:

Mr. and Mrs. Doyle McVeigh and family; Mr. and Mrs. James Rawluk & family of Braeside. Mr. and Mrs. Lorne Roach and family of Sturgeon and Mr. and Mrs. Roland Toussant and family of Mission.

Meeting reports more use of hall

About 40 members were on hand for the Annual Meeting of the St. Albert and District Community League on March 20th when a new Board of Directors was elected for 1967 Mr. H. Terrault, pres; G. Dalman, v.p; one-year directors: A. Lesburg, M. Dechamplain, Mrs. B. Dubois, A. Soetaert, Mrs. A. Kampen; two year directors: Mrs. J. Roberts, A. Kampen, G. Kirby, Mrs. A. Anderson and D. O'Connell.

Mr. Terrault reported on the use being made of the Community Hall. 15 Clubs are presently using the hall for meetings and a variety of activities and there is a noted increase over the past year in the number of public dances held there. The weekly Wednesday night Jackpot Bingo has also attracted a considerable increase of members. In closing his report Mr. Terrault thanked the Board and the members for the good support given through the past year.

The League wishes all members a Happy Centennial!

Gismo's girlfriend saw in the paper that in certain parts of India a wife could be purchased for $2.00. "Isn't that awful!" she exclaimed.

"Oh, I don't know," Gismo replied. "A good wife should be worth it."

Visitors enjoy trip to Hawaii

Mr. and Mrs. Frank Rivard and Mr. and Mrs. Roch Proulx of Legal have recently returned from a five week holiday in Hawaii. The couples had taken the CHED Tour but extended their stay by 3 weeks which gave them the opportunity to visit different points of interest.

They arrived on an evening flight and the temperature was 78 degrees above, during the day the ideal temperature of 80 - 85 for "sun bathing" and visiting.

Upon their arrival they were greeted with Leis of flowers and a hearty welcome from the Hawaiians. Sunday they attended St. Augustin's Church where the choir sang in their native tongue. They found this choir sensational.

Our tourists visited Pearl Harbour and saw the Arizona which was sunk by the Japanese on Dec. 7, 1941. A memorial was built over it in memory of 1177 men that lost their lives. Another point of interest for our visitors was the National Memorial Cemetery of the Pacific where 13,000 soldiers are buried. They also visited a place which the name is familiar to many of us the "Dole Pineapple Canery" which covers 36 acres and employs 9800 men and is, the biggest cannery in the world.

The winners of the 4-H Public Speaking Competition proudly hold their awards (left to right) Sylvia Auger, Cecile Caouette and Simone Demers.

4-H Club public speaking finals

The Legal 4-H Clothing Club held its public speaking finals on March 10th. All the members participated with very interesting 4 to 6 minute speeches.

Chairman for the evening was Sylvia Auger and the judges were Mr. Larry Sorkim representative from Federated coops in Edmonton; Mrs. Roger Caouette and Mrs. Jos Nault, Mrs. Wilfred Larose was time-keeper for the speeches.

While the judges were evaluating their scores lunch was served by the members.

The final decision of the judges were first Simone Demers, second Sylvia Auger and Cecile Caouette third. Honourable mention was given to Irene Theberge a first year member.

The first and second members received trophies mounted with public speaking figures and the third winner was awarded a chain inscribed with a 4-H emblem.

The 4-H members appreciated the help of the judges, the Ladies of St. Anne (sponsors) the parents and guests who attended.

MOVED that Dr. Cuts and Mr. Russell be the Board's Negotiating Committee for the purpose of negotiating a new contract with the District Alberta Teachers' Association Sub-Local.

It was moved that Mrs. Martin and Mr. Black be authorized to attend the International Reading Association Convention, in Seattle, during May, 1967, at District expense not exceeding $700.00.

MOVED we approve in principle a 1967 Administrators' Council Seminar to be held at District Expense not exceeding $200.00.

COMMITTEES:

Mr. Schroder reported upon the discussions held with the Department Buildings Board and its reductions made to space entitlements. The architect is preparing plans to suit the ultimate requirements of the Simpson addition so that limited government approval now will not eliminate the possibility of later expansion to suit the needs of the school.

It was agreed that the April 17 Board Meeting be held instead on April 20, 1967.

MOVED meeting adjourn.

Legal LOCALS

Mayor St. Martin, deputy-mayor Nault Councillors Prefontaine, St. Jean, St. Martin, village foreman and Mr. J. Langley were in attendance at the regular meeting of the Village of Legal on March 13th.

Minutes of the previous meeting and minutes of the Court of Revision were read and adopted, and the monthly statement was accepted as presented.

On a motion by Councillor St. Jean the firm Quilliam, Stuart, Rae and Co., were appointed as auditors for the Village.

It was moved by Mayor St. Martin that the fire department report be accepted as presented and Councillor Prefontaine moved that the Sturgeon Foundation report be accepted as read.

The agreement between the Municipality of Sturgeon and the Village of Legal for the proposed fire truck was accepted in principal only by Council. It was decided to use the spray truck from the Municipality of Sturgeon until some decision could be made on the disposition of the present fire truck.

Mr. Leo Maurier, nominated by the Legal School Board and Mr. Armand Massie, nominated by the Church Trustees, were accepted by Council as representatives on the Legal Recreation Board. Mr. Walter Van DeWalle was appointed as representative on the Recreation Board for the Town of Legal, on a motion by Deputy Mayor Nault.

Approval was granted for Miss Evelyn Bourcier to establish a beauty salon in Legal, providing she could meet the conditions set by the Village.

It was decided that Council would hold a special meeting March 21st to study the report of Stanley Engineers.

Legal Library in full swing

On February 25th the Legal Community Library opened its doors to the public. From 10:00 a.m. to 5:00 p.m. the library buzzed with activity. Parents flocked with their children, took out membership cards and chose from shelves of books to their own liking.

We are very happy to see so many pre-schoolers as well as residents of the Chateau Sturgeon take out books.

We hope that as time goes on more and more people will take interest in the books available, such as "Rush to Judgement", "Doctor Zhivago" in the novel section and gardening, sports, hunting, fishing and other reference books.

Please take note that the new library hours are as follows; Every Saturday from 10-11:30 a.m. and 1:30 - 4:30 p.m.

Ladies show class at broomball

The Ladies of Ste. Anne from Legal met again with the Ladies from Morinville, Tuesday, March 14th for an exciting Broomball game in the Morinville Arena.

Everyone was in the spirit of the game both teams now having had some practice played like professionals, making passes just like experienced players. The Legal Ladies were victorious again with a score of 2 - 1.

The game was opened by the presidents of the clubs, Mrs. Lucien Montpetit of Legal and Mrs. Jos Leduc of Morinville facing off.

In the first period Legal scored twice. The goals were scored by Mrs. Richard Maurier and Mrs. Roch Regimbald. The Morinville goal was scored by their "own" Yvette Tellier Goalies from both teams were simply sensational. The cheering squad helped to give the players the moral support needed.

We want to thank our referee Richard Maurier and our coach Mr. Leo Maurier who so patiently coached us to our "Victories". Mr. Maurier was quoted as saying "he saw a great improvement since the first game." You're learning ladies - too bad the season's over!

After this well played game all gathered at the Recreation Centre for a delicious lunch served by the Morinville Ladies for all ladies and their enthusiastic husbands.

A sincere thanks to the Morinville Club for their cordiality and a wonderful evening.
